elementary schools, beginning with Massachusetts in 18522 Compulsory education laws were passed in 32 states by 1900 and in all by 19303 Standardized Educational Materials Although America's students increased during the nineteenth century, teaching materials did not

**Lifeboat Ethics: the Case Against Helping the Poor**

Environmentalists use the metaphor of the earth as a "spaceship" in trying to persuade countries, industries and people to stop wasting and polluting our natural resources. Since we all share life on this planet, they argue, no single person or institution has the right to destroy, waste, or use more than a fair share of its resources.
